

To: All carriers picking up or delivering to United Rentals locations

Effective immediately, all outside haulers will be required to take a 45 minute online safety course prior to being allowed on United Rentals locations. There is a video and 7 basic true/false questions the driver must complete.

Take the course once, it is good for life.

International Transport Systems will pay you an additional \$50.00 for the course and the time it takes out of your day.

We need some basic info to set up the account:
